GOLF & COUNTRY CLUB

MISSION

Our Club is an all-season member facility, providing recreational, dining, social and event experiences for our members and guests

VALUES

We value the comfortable family environment shared by members and staff. Members are encouraged to get involved in the Club, to volunteer, voice their opinion and be an integral part of the Club. We strive to be inclusive of all members and sustain strong and open communications around the governance and management of the Club. Members have pride of belonging to the Club and in the use of its facilities.

VISION

To be a recognized leader in the community by ensuring our facilities, our product offerings and our services meet and exceed the high quality expectations of our members and guests in a fiscally responsible manner.

HOLE IN ONE INSURANCE

Hole in One Insurance was approved by the Men's and Ladies. Golf Committees as an activity fee to celebrate the occasion of a hole in one by a member of the Club.

In summary:

Each time a Hole in One is scored by a Club member (not including juniors, divots or students), each active member (not including divots, juniors or students) is charged \$1 on their Club account.

Upon a Hole in One, the following would occur:

- An attested card must be turned into the Pro Shop. The Pro Shop must then contact the applicable service areas to let them know there has been a Hole in One scored.
- The player must have completed 9 holes, and the Hole in One must have been witnessed.
- The Card must be photocopied for verification and turned in to the Pro Shop.
- Each member (no guests or staff) in the Clubhouse is entitled to one drink (domestic beer, house wine, highball, cooler, pop, juice, etc.) on the Hole in One account.
- The one complimentary beverage per member will continue only for as long as the member remains in the building. Once the member scoring the Hole in One leaves, the complimentary drinks cease. Complimentary beverages would not begin until the member finishes his/her round and the scorecard has been turned in to the Pro Shop.
- The player scoring the Hole in One would receive a keepsake gift commemorating the event at the Club Championship.
